

Fees CF-CTN Germany

valid as of 1st of January, 2023

	Price [€]
Start-up Fee This fee includes administrative and accounting costs, cost for maintenance of structures such as the patient registry as well as the coordination effort for the preparation of the project, e.g. confidentiality agreement, contract, etc.	1,950*
If applicable (in case MI service contract template is not used)	Lawyer's fees for review of external contract
Expert Review of Clinical Study Protocol, Patient Information, or similar document	
Expert review (including patients view) of Clinical Study Protocol etc.	1,450
Budget calculation for reimbursement of Study centers	
Centrally prepared study budget calculation, coordinated with the participating trial sites	6,950**
Additional Services will be charged on an hourly basis, e.g. Support in the search for referral sites, feasibility (an individual offer will be provided for each request)	84€ per hour

Prices excl. 19% VAT

*The start-up fee must be paid in any case, regardless of the selected service. The price of 1,950€ applies if our contract template is used. Otherwise, the lawyer's fees for the review of an external contract will be added as pass-through costs.

**In the case of studies with several parts and an increased amount of work for the calculation, a higher fee may apply.
